Re: Arkansas Company, Inc.
DWM #84-4-30-01C

Dear Mr. Greenberg:

This is in response to your letter addressed to Mr. Joseph A. Rogalski, Assistant Director, dated October 2, 1984 concerning a Directive Letter issued to the referenced company. In your letter you stated that Mr. Mark R. von Sternberg has contacted remedial contractors to secure cost estimates for the removal of materials. Please forward to me a list of those companies contacted along with the list of materials presently stored on site.

Furthermore, please have your client forward a list of dates and times that the Department can expect compliance with the items stated in the Directive Letter.

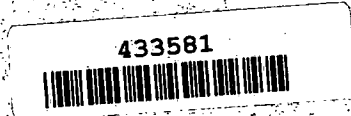

It is imperative that your client firmly commit to a remedial action plan to preclude further enforcement action by our Department.

Should you have any questions concerning this matter, please contact me at (609) 292-0967.

Very truly yours,

John H. Skoviak
